Was:

- Jurisdictions may submit one proposal per each NASA office, i.e., if there are four participating offices, the Jurisdiction may submit a maximum of four proposals. *Please include the appendix letter for the NASA office the applicant is proposing to support (i.e. SMD Planetary i.e. one of the NASA SMD Divisions: Planetary, Earth Sciences, Biological and Physical Sciences, or the CSCO) or NASA Center in the proposal title.* This will make it much easier for proposals to be sent to the correct NASA office for review/evaluation.

Was:

The maximum funding that a jurisdiction can request from NASA is $100,000 per proposal. This amount is to be spent in accordance with the budget details and budget narrative in the approved proposal. Jurisdictions may submit one proposal consisting of two (2) to three (3) pages per NASA office listed. Multiple awards may be given for a particular task, depending on availability of funds. Proposers may resubmit proposals from previous R3 solicitations or submit proposals for renewal(s) of existing award(s).
